6th International Conference on Computer Science and Engineering (UBMK 2021) will be held in Gazi University, Ankara, Turkey, 15-17 September 2021

UBMK 2021 provides a forum for researchers, practitioners, students and educators to present and discuss the most recent researches, innovations, trends, experiences, and concerns in the field of computer science, computer/software/information systems/information security engineering and computational methods.

In parallel with the regular scientific presentations, Heads of Departments of Computer Engineering (and other related) departments will meet to discuss the best practice and current trends in Computer Sciences and Engineering in Turkey as part of the 35th Convention of the Assembly.

This conference is also promoted by the **IEEE Turkey Section**. All papers will be reviewed by at least two reviewers and presented papers will be included in **IEEE Xplore Digital Library**. Full paper submission deadline is **25 June 2021**.

Special discount and support are provided for students and IEEE members.
